Our Ref: COVID19

30<sup>th</sup> March 2020

Dear Sirs

**HEALTHCARE SYSTEM RESPONSE TO COVID-19**

This letter is to confirm that this person is regarded as a key worker within the Gloucestershire Health and Care system. This letter, in combination with a valid photo security pass or other identification should be accepted as proof of this status.

Your support in allowing them appropriate access to public transport or indeed movement on foot, thereby enabling to allow them to travel to and from work will be significantly appreciated and will ensure that our most vulnerable members of society continue to receive the care and support they deserve.

Please allow them access to priority shopping times in supermarkets and pharmacies both for their own supplies but also when purchasing for those they are caring for.

To ensure compliance with infection control regulations in the majority of cases they will not be wearing a uniform  
Yours Sincerely

Kim Forey

**Director of Integration**
